

Sampler

```
graph BT; A["torchvision.datasets.samplers.clip_sampler.DistributedSampler"] --> B[Sampler];
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box containing the text 'torchvision.datasets.samplers.clip\_sampler.DistributedSampler'. A blue arrow points vertically upwards from the center of this box to a white rectangular box at the top containing the text 'Sampler'. This indicates that 'DistributedSampler' inherits from 'Sampler'.

torchvision.datasets.samplers.clip  
\_sampler.DistributedSampler
