

Module

```
graph BT; A["torchvision.ops.feature_pyramid_network.FeaturePyramidNetwork"] --> B["Module"]
```

The diagram illustrates an inheritance relationship. A light gray box at the top is labeled 'Module'. A dark gray box at the bottom contains the text 'torchvision.ops.feature_pyramid_network.FeaturePyramidNetwork'. A blue arrow points from the top of the dark gray box to the bottom of the light gray box, indicating that the bottom class inherits from the top class.

torchvision.ops.feature
