

Module

```
graph BT; A[torchvision.models.vgg.VGG] --> B[Module];
```

A diagram illustrating the inheritance relationship between the `torchvision.models.vgg.VGG` class and the `Module` class. A blue arrow points from the `torchvision.models.vgg.VGG` box to the `Module` box, indicating that `VGG` inherits from `Module`.

`torchvision.models.vgg.VGG`
