

`data::Dataset`

```
graph BT; A[torchvision.datasets.usps.USPS] --> B[torchvision.datasets.vision.VisionDataset]; B --> C[data::Dataset];
```

The diagram illustrates a class hierarchy. At the top is a light gray box containing the text `data::Dataset`. A blue arrow points upwards from the middle box to this top box. The middle box is white with a black border and contains the text `torchvision.datasets.vision.VisionDataset`. Another blue arrow points upwards from the bottom box to the middle box. The bottom box is gray with a black border and contains the text `torchvision.datasets.usps.USPS`.

`torchvision.datasets.vision.
VisionDataset`

`torchvision.datasets.usps.USPS`
