

torch::nn::BatchNorm2d

```
graph BT; A["torchvision.ops.misc.BatchNorm2d"] --> B["torch::nn::BatchNorm2d"]
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box containing the text 'torchvision.ops.misc.BatchNorm2d'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box at the top. The top box contains the text 'torch::nn::BatchNorm2d'.
