

Module

```
graph BT; A["torchvision.models.squeezenet.SqueezeNet"] --> B["Module"]
```

The diagram illustrates the class hierarchy of SqueezeNet. At the bottom is a gray rectangular box containing the text 'torchvision.models.squeezenet.SqueezeNet'. A blue arrow points vertically upwards from the center of this box to a white rectangular box at the top containing the text 'Module'. This indicates that SqueezeNet is a subclass of Module.

torchvision.models.squeezenet.
