

```
graph BT; A[utils.transforms.ToTensor] --> B[object]
```

object

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the word "object". The bottom box is gray with a thin black border and contains the text "utils.transforms.ToTensor". A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.

utils.transforms.ToTensor
